WAYS TO MAKE A DIFFERENCE

Join us in our efforts to Travel with Purpose. Consider following these examples during your meeting or event:

- Eliminate the use of single-use plastics at your event by switching to reusable options, such as water refill stations, glass/china, travel mugs/bottles, etc.
- Work with the hotel team to reduce food waste through selecting zero-waste menus and creative food presentation, diverting unavoidable food waste from landfill, and/or donating excess, edible food, where allowed by law.
- Encourage attendees to use the Hilton Honors app for digital check-in, keys and check-out to reduce the use of printing, paper and plastic.
- Finally, give us your suggestions about improving the sustainability of your event!
