

GAS GOES GREEN

Advisory Group

Terms of reference

DELIVERING THE
PATHWAY TO
NET ZERO

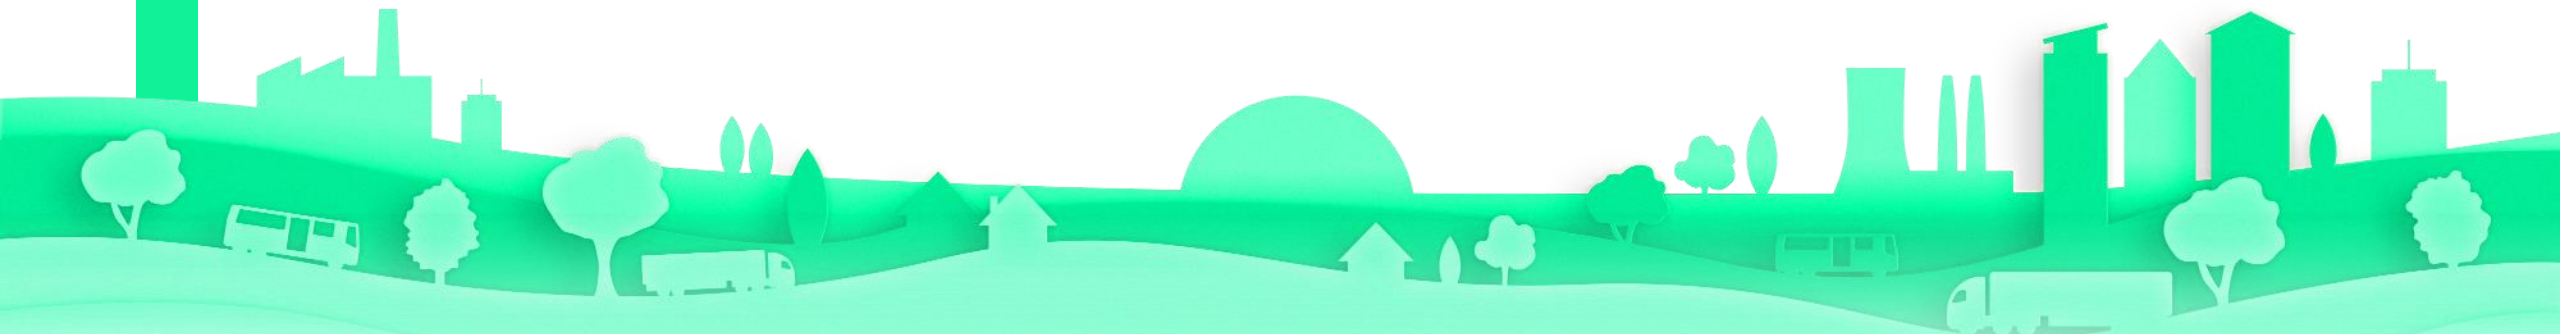

Advisory Group - Terms of Reference

The Advisory Group is essential to our programme to:

- Give our stakeholders the opportunity to provide early input and improve the quality of our products
- Help stakeholders increase their awareness of Gas Goes Green and upcoming activities
- Increase awareness about programme opportunities and risks, and support collaboration wherever possible

The Advisory Group will meet quarterly.

Advisory Group - Terms of Reference

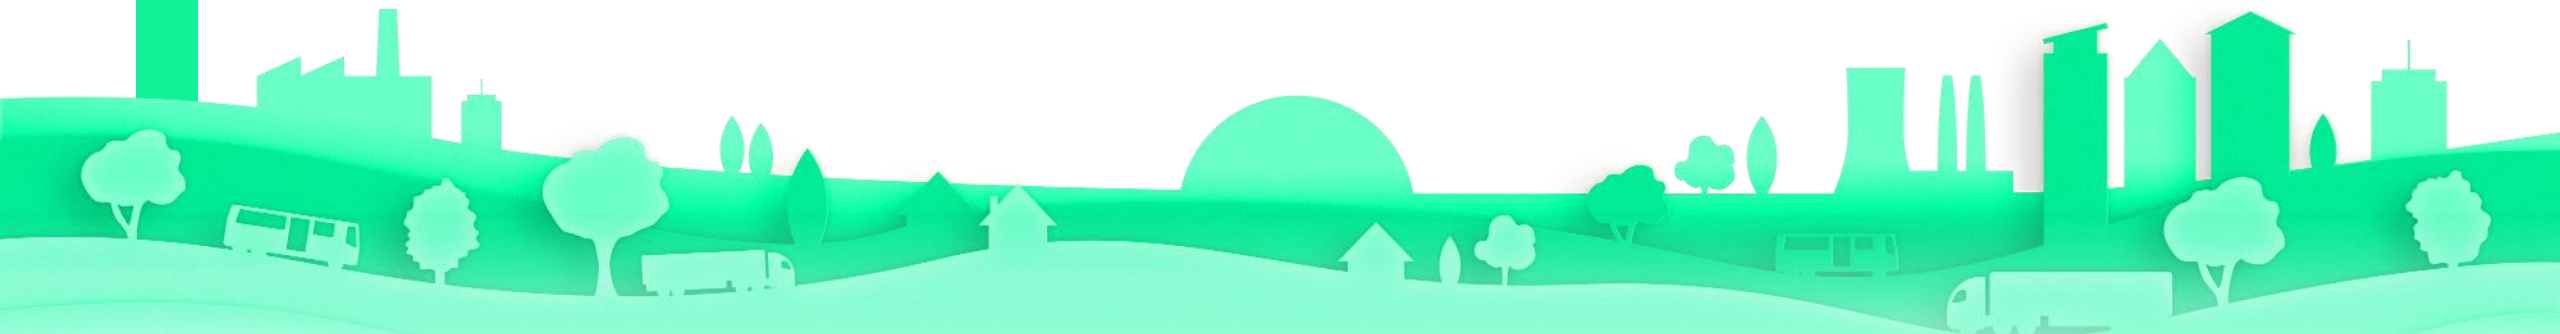

The Advisory Group will provide a forum for input to:

- Steering Group on programme scope, progress, risks & issues
- Workstreams with deliverable comments/feedback

Being part of the Advisory Group enables sharing of specialist expertise, knowledge and insight but does not imply support for the programme or its deliverables.

ENA will seek to send information in advance of meetings to ensure that views can be sought in advance.

Our objective is to be as open as possible about Gas Goes Green activity, to maximise the value of your feedback.

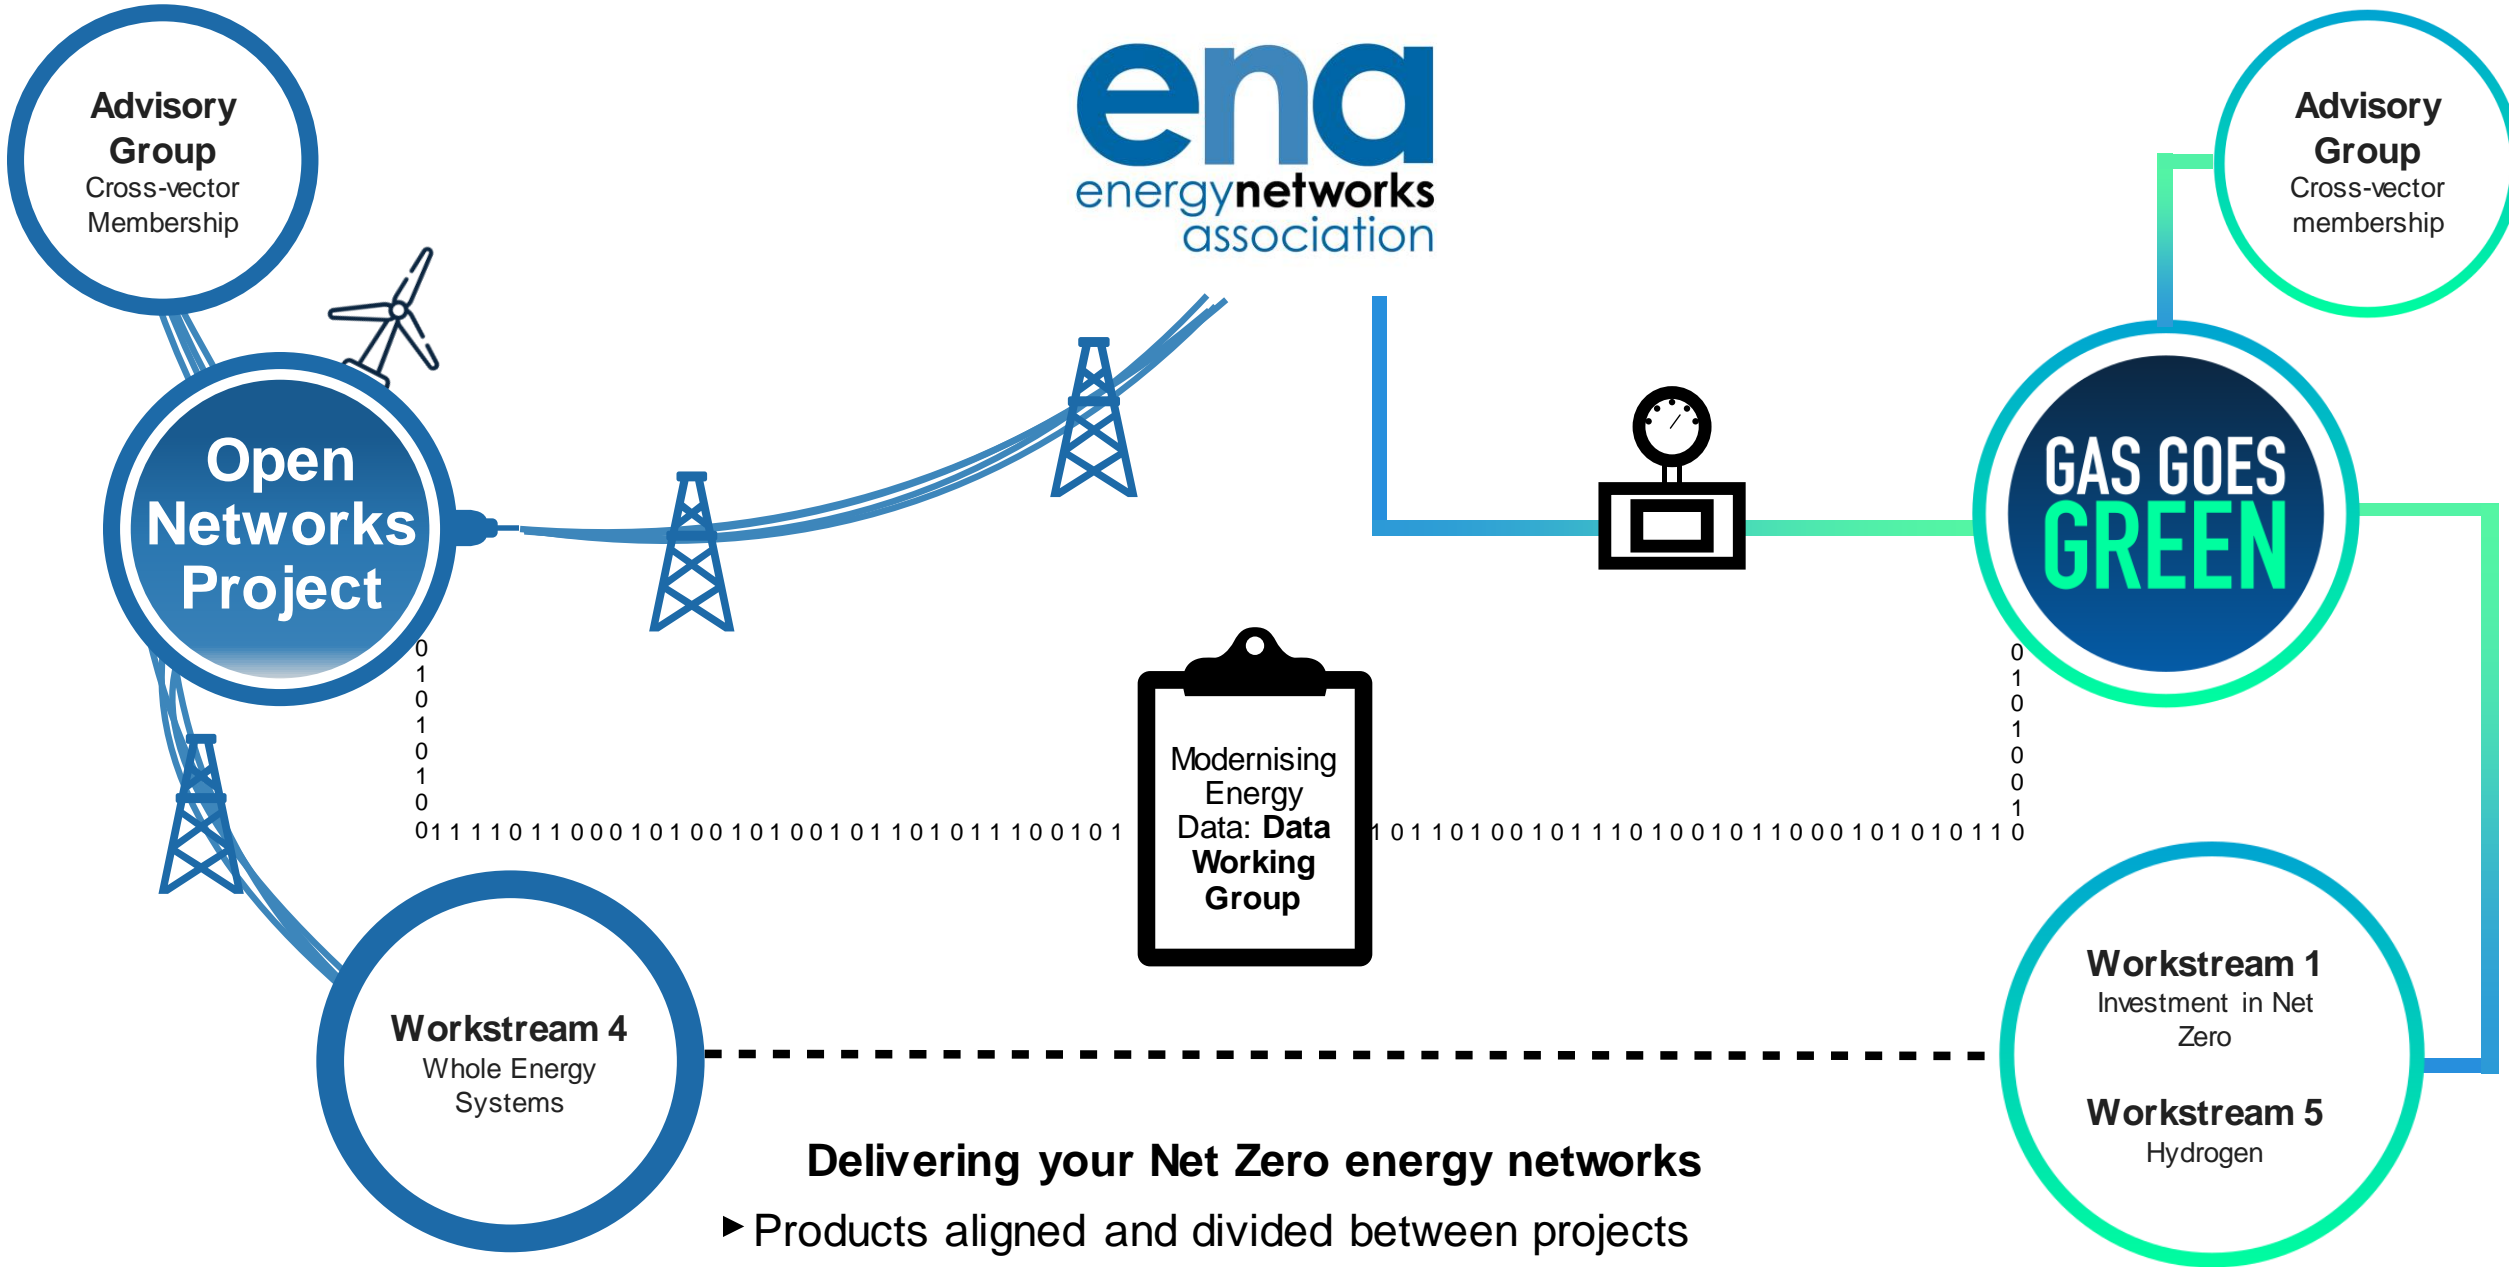

Programme governance

**GAS GOES
GREEN**

Programme governance

Delivering your Net Zero energy networks

- ▶ Products aligned and divided between projects
- ▶ Cross-over member representation
- ▶ Joint Positions on achieving Net Zero
